

ENVIRONMENT, HEALTH AND SAFETY POLICY

English Press Limited is committed to conducting its business operations in a manner that protects the environment, health and safety of its interested parties.

English Press Limited is committed to providing safe and healthy working conditions for the prevention of work related injury and ill health. EPL's goal shall be to have zero accidents and no work related ill health to its interested parties.

We aim to achieve this via;

- Compliance with all relevant statutory & regulatory requirements, ISO 9001: 2015, ISO 14001: 2015 and ISO 45001: 2018 and other applicable requirements.
- Establishing, implementing and maintaining documented objectives.
- Establishing policies and procedures appropriate for EHS management.
- Assessing and managing environmental aspects, health and safety risks and opportunities of our activities, products and services.
- Taking appropriate action to eliminate and minimize hazards or conditions that endanger health, safety or the environment.
- Consulting and encouraging participation of employees to actively contribute to a safe & healthy working environment where they are responsible and are held accountable for compliance.
- Protecting the environment and initiatives shall include but not limited to preventing pollution through reducing, recycling, proper disposal of waste, promoting the conservation of energy and natural resources.
- Factoring climate changes to achieve long-term sustainability goals.
- Training and promoting EHS awareness among employees.
- Communicating our strong EHS commitment to our interested parties.
- Requiring interested parties to take responsibility in working safely and in an environment responsible manner.
- Continual improvement of EHS performance by periodically reviewing and reporting on EHS policy and objectives.

Safety comes first
